

|| SPECIAL CARE FOR COTTON FABRICS

1. Light/Medium/Dark yarn dyed fabrics should be soaked or washed separately.
2. Wash garments inside out for protection of outer surface.
3. For washing, soak the cloth for maximum 30 minutes in cold or Luke warm water having necessary amount of good neutral soap.
4. For removal of stains rub gently. Avoid vigorous rubbing.
5. Ensure detergent or soap is thoroughly removed from the fabric by using sufficient water otherwise discoloring may take place in sunlight or after ironing.
6. Do not dry under direct sunlight as the color may fade.
7. To crease is an inherent property of cotton. To facilitate crease removal, cotton fabrics should be moistened enough, prior to ironing.
